

**Internal Revenue Service
Volunteer Income Tax Assistance (VITA)
Program**

Would you like help with preparing your Federal and State Income Tax Returns?

Would you like to be able to receive your refunds in about 2 weeks of filing with direct deposit?

Would you like to have them prepared and e-filed for free?

Florence Township is offering through the IRS VITA program, the opportunity for volunteers to complete tax returns for taxpayers who meet some basic requirements.

1. \$53,000 or less income for single (\$106,000 for married filing jointly)
2. Simple tax returns (No Itemized Deductions or Business Returns)
3. No investment returns (those with many stock trades throughout the year)
4. More details listed on website and posters at Township Building and Library

Posters are on display at the Township Building and the Florence Township Library.

More information is also available at <http://vita.sawka.org>.

We will accept appointments. More information is on the website including the available schedule. The schedule will change as volunteers become available. Check back often or call 609-447-0077 to make an appointment.

Tax Returns will be completed starting early February through about April 11th. Don't wait until the last day. The earlier you get them completed, the earlier you get your money back from the government.

**WE ARE STILL LOOKING FOR VOLUNTEERS
CONTACT THE TOWNSHIP IF INTERESTED**
