### QPSI Employee's Food Drive Benefits M M o C Holy Assumption Food Panty

On Thursday March 16, 2022 the staff at QPSI, a Florence based provider of specialized packaging and supply chain management solutions, completed a Food Drive collection for local distribution. The pickup and delivery of the items was coordinated by QPSI's Ashley Rivera and Florence Township's Recreation and Economic Development Coordinator, Marty Eckert.

The QPSI staff staged the collected food and personal care items for onsite pickup by Don Cammus (second from left). Shawn Smith, Felix Escamilla, Reuben Bell, Casar Brito, and Jared Benton were among the QPSI representatives and local volunteers assisting with loading the donated items.

The donated items were delivered to the Mary Mother of the Church's Holy Assumption Parish Food Pantry and set up for a grateful and much appreciated distribution by Food Panty volunteer members.

Ken Warner (right), assisted with the delivery of the donated QPSI items along with Ann Cammus (not pictured). Food Panty volunteers Sue Oros and Maria Arnold received and sorted the donated items for distribution.

A big shout out to the leadership and staff of QPSI for the thoughtful and generous donation and the teamwork of QPSI and Florence Township staff coordinating with the Food Pantry and local volunteers to get the job done. Kudos...
