

50 Years of Faith, Family & Florence Football

Joe Frappolli

2024 Florence Township
Community Calendar

A COMMUNITY WITH CHARACTER AT THE BEND IN THE RIVER

TOWNSHIP OF FLORENCE

As we present to you the 2024 Florence Township Community Calendar, we extend our gratitude to each resident, business owner, municipal employee and first responder for your efforts in making 2023 a special year in our community. There are many pieces that combine to define a township and there is not one component that is more important than another. We are all tasked with doing our part at being a better neighbor, parent, friend, educator, business owner, patron, teammate, coach, officer, elected official or community leader. It is the love, care and respect for your surroundings that provide us the things that we enjoy each day as we leave our homes. It is this mindset and initiative that will allow us to continue to grow as a community and as individuals, making each new year better than its past. As elected officials it is our oath to work with and for our community to continue forward in the best way possible.

Referencing the cover of this year's calendar, we congratulate our longtime Florence Township Memorial High School's Coach Joseph Frappolli on 50 years leading our football program. As an educator, member of township council, civic leader and coach, Joe Frappolli embodies the definition of dedication to community. His priority to faith, family and friendship, combined with his many roles, allow for his successful career to be something celebrated by all. We thank you for giving your community so much over so many years.

We are hopeful that you will flip through each page of the calendar to not only enjoy the collage of photographs each month, but also to take notice of monthly meetings and activities that take place during the year. Another layer of being part of our community offers the opportunity to be a voice in supporting change or preserving what is already established. Inquire about opportunities to join a board or committee; volunteer to assist with planning a community event or with one of our civic or school district organizations. Attend meetings in person, via Zoom, or review minutes and recordings so to better understand a topic of discussion. And if you have questions, visit our website to submit an inquiry. You may also call or visit our municipal office to speak with a member of our dedicated staff.

Communication and transparency will be among our daily goals as we move into this New Year. We encourage you to be proactive in learning more about what is going on. Please subscribe to our Township Website and follow the Township of Florence and the Florence Township Police and Fire Department pages on social media. You may also consider signing up for emergency notices through Nixel and Civic Ready 911.

PARKS, PATHS, PLACES TO ENJOY

Community parks and pathways bridge our community making it safe and easy traveling from one area to another. Many are new additions including a new exercise cluster completed as a Boy Scout - Eagle Scout Project by William Krzykalski.

MUSEUMS AND HISTORICAL SOCIETIES

PRESERVE OUR PAST AND CELEBRATE OUR HISTORY

Our local organizations continue making great strides in preserving and showcasing much of our towns history. Displays and events offer visitors an opportunity to enjoy and appreciate our past. Frank Lubrano, Tom Whiteside, Harry Brown, Ken Wilkie and Frank Carlson (pictured) enjoyed simpler times in front of Dinucci's Restaurant many years ago. (We honor and remember Lubrano and Brown whom were lost while serving in WWII.)

It's COMMUNITY CARNIVAL TIME

Four days of carnival fun filled the village of Roebing as our annual event returned for the first time since the pandemic. Live music, stuffed cabbage and not one but two ferris wheel made for an exciting and successful event.

CELEBRATIONS BRING US ALL TOGETHER

We honor Clark and Carolann Boyd as the 2023 Grand Marshals of this year's celebration. Celebrating Boyd's Pharmacy's 100th Anniversary, honoring our veterans and enjoying the day with family and friends makes this annual event special in our community.

FALLING INTO FALL WITH FESTIVALS, SCARECROWS, TRUNKS & TREATS

The Fall season is upon us as we look forward to many annual traditions. Creative scarecrows placed around the Roebling Circle ready for Halloween. Trunk or Treat events bring out our local ghosts & ghouls and our 1st Annual Fall Festival sponsored by the township recreation committee filled our complex with crafters, specialty treats and family fun for all ages.

FACES IN THE CROWD - TAKE 2

Florence Township

Annual Municipal Stormwater Information

As you may be aware, the State of New Jersey requires all municipalities to distribute certain information each year relating to the protection of our water resources and stormwater management. This letter will give you a basic overview and information about what Florence Township does to promote water protection and stormwater management in our community.

Florence Township has several ordinances that relate to stormwater management and protection of our water resources. Chapter 123 of the Township Code regulates Pet Waste, Littering, Improper Disposal of Waste, Wildlife Feeding, Yard Waste, Refuse Containers, and Illicit Connections to storm collection systems.

Littering is unlawful on public and private lands and this includes scattering of handbills, circulars and other forms of advertisement. Trash, tires and other items are regarded as waste and should be in enclosed containers with tight fitting lids that prevent spillage.

The feeding of unconfined wildlife such as Canadian Geese, migratory birds or other large numbers of wildlife is prohibited. Dense wildlife numbers in the state have contributed to concerns of feces polluting streams, rivers, ponds and lakes. Even pet waste should be cleaned up immediately from public and private lands and disposed of properly.

Illicit connections to stormwater collection systems are another concern that contributes to a multitude of pollutants of our waterways. Some types of illicit connections include: sewer or gray water discharge, floor drains in contaminated areas, unprotected yard or roof drains, etc.

Chapter 91-75 and its corresponding sections of the Township Code address design standards for construction and public and private storm drain inlet retrofitting.

The state and the township require that new construction or land development applications meet a series of tests to verify that each new project conforms to the latest best management practices for stormwater management and water protection.

In addition, storm drain inlets are required to be retrofitted any time a qualifying work takes place on or near the inlet. You may be familiar with inlet retrofitting because you can see the smaller size of the openings on the grate and back portion of the inlet components. This smaller opening acts to prevent trash and debris from entering the stormwater system and finding its way to our rivers, lake and streams.

For more information on the municipal code, stormwater management, and water protection measures, please visit the Florence Township Website at www.florence-nj.gov and click on the link for Stormwater Management under the Documents tab on the left side of the page.

Thank you for taking the time to read this information and your concern for the environment.
