LUKE SUPEY – EAGLE SCOUT CANDIDATE

Luke Supey addressed the committee with regard to a potential Eagle Scout Project where he will outline mile markers throughout the municipal complex walking paths. Additionally, Luke is interested in establishing signage to direct visitors to various fields, restrooms, water fountains and to specific amenities found on the complex. Luke shared that out-of-town visitors would not be familiar with fields thus directional information will be very helpful.

The committee agreed this was a great idea and with additions to walking areas and the need for updated signage, this project will be helpful to have completed. The committee shared names of area sign companies that have done work in town. Marty will provide to Luke some contacts that the township has used.
