Our File No. C-371-208

Dear Karen:

As requested, we have reviewed the captioned project to determine if the Township can release the performance bonds.

Based upon our review, the contractor has corrected the outstanding field items and the applicant provided the approved as-built plans. Therefore, we recommend performance bond release at this time.

Since all the facilities associated with this application shall remain privately owned and maintained, no maintenance bonds will be required. Please contact Craig Connolly of our office if you have any questions or to re-inspect.

Very truly yours,
