**Re: Township of Florence
MA' 2023 NJDOT Local Aid Florence Township Resurfacing of Hornberger Avenue
Recommendation to Award
Our File #03-15-T-006**

Dear Ms. Erlston:

We have tabulated the bids received on May 29, 2024, regarding the above-referenced project. This project consists of resurfacing a port of Hornberger Avenue and other ancillary improvements summarized as follows:

- The base bid consists of removal and replacement of concrete vertical curb, concrete sidewalk, and concrete driveway, replacement and/or installation of ADA compliant curb ramps, milling of existing bituminous concrete surface course, base repairs, resetting or reconstruction of existing storm sewer catch basins, replacement of existing Type B curb pieces and grates, overlay with Hot Mix Asphalt, installation of signage, traffic markings, and traffic stripes, borrow topsoil, fertilizer, and seed and straw mulching.

A copy of the bid tabulation is enclosed for your review.

Our recommendation to award is as follows:

- Should the Municipality decide to award the Base Bid improvements, the resolution should indicate award to Richard T. Barrett Paving Co., Inc., 400 Prospect Street, Trenton, New Jersey 08618, in the amount of \$195,925.50, representing Items 1 through 53 of the Base Bid.

In accordance with Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq, the contract should be awarded to the lowest responsible bidder, which appears to be Richard T. Barrett Paving Co., Inc., 400 Prospect Street, Trenton, New Jersey 08618.

Any award should be contingent upon review and approval of the Township Solicitor, and monies being available.

Also, enclosed you will find form SA-22 to be signed and sealed and returned to our office along with two (2) original signed and sealed Resolution of Award documents. The bid tabulation must also be signed and sealed and returned to our office (see the certification paragraph on the memo page). It is imperative that this information is forwarded to our office as soon as possible as it is needed to submit to the New Jersey Department of Transportation in order for the municipality to receive their 75% "up-front" monies from the State.

If you have any questions, please feel free to call me at (856) 795-9595.

Sincerely,

REMINGTON & VERNICK ENGINEERS
