Re: Sodium Hypochlorite Solution Bid

Today, bids were received for sodium hypochlorite solution for the Water & Sewer Department. One (1) bid was received. Miracle Chemical Company was the sole bidder at \$4.27 per gallon delivered. I have reviewed the bid submittal and found all documents to be in order. Since the existing bid for supply of the chemical will expire July 6, 2024, I would ask the governing body to award the bid to Miracle Chemical Company at the July 3, 2024 meeting.

I have scanned and emailed the bid documents to the township attorney for his review. I'm certain he will weigh in at the meeting if he feels there are any deficiencies I may have missed in my review.
